Eger

A landscape photograph showing a view of the city of Eger, Hungary, from an elevated position. In the foreground, there is a dense field of green plants, likely sunflowers, with several white flowers in bloom. To the left, a black and white striped signpost holds a white rectangular sign with the word "Eger" written in black. The middle ground features a residential area with numerous houses and buildings, some with red-tiled roofs. In the background, rolling green hills are visible under a clear, light blue sky.
