THE NUT HOUSE

'Big Banana' bei Coffs Harbor

A large, bright yellow banana sculpture is mounted horizontally on a teal-colored building. The banana is curved and has a dark brown stem at the right end. The text "THE BIG BANANA" is written in a large, stylized, black serif font across the middle of the banana. Below it, "COFFS HARBOUR" is written in a smaller, simpler black font. The building has teal railings and a tiled roof. In the foreground, there is a teal fence and a garden with green ferns and orange flowers. The sky is blue with some white clouds.
